HOUSEHOLD RECYCLING AND WASTE COLLECTION

Order of Municipal n. 3/2020

Door-to-door pickup service

Household users must place their waste in suitable bags (no black ones) on curbside near their building, using our waste collection calendar.

For condominiums, users have to place their waste in our waste collection bin using appropriate waste bags (no black ones).

Administrators are responsible for the safekeeping, handling, care and cleaning of the bins. They have to ensure that waste is placed on the kerbside using the recycling scheme available.

Timeshare or co-ownership buildings with single access on public roads are considered as condominiums. They have to communicate to the Technical Maintenance Office the name of administrator. Any change has to be notified in advance.

Waste disposal:

Organic, Non-recyclable waste, Multi-material (plastic and metal) paper, cardboard and tetrapak waste should be placed outside using suitable bags (no black ones). Plastic and metal go in the same bag.

Household users, who are not in condominium, should place their waste outside their building on the kerbside, using suitable bags, on collection day (no black bags are allowed).

All household users, in condominiums and in timeshare or co-ownership buildings, should put their waste in appropriate bins. Please:

- a) put the bin on the kerbside on collection day.
- b) bring the bin back into your property, after emptying, as soon as possible.

The B&B and holiday homes are considered as household users.

Other types of waste:

- GLASS should be put in the banks placed on communal area, at any time;
- WASTE T / F ("Toxic" and / or "Flammable" label such as insecticides, fungicides, paints, thinners, solvents, adhesives, etc.) should be placed into designed containers, or taken to recycling point located in Demanio, on opening hours;
- FLAT BATTERIES should be put in the battery collection bucket, at any time;
- EXPIRED MEDICINES should be put into the appropriate containers, found near the pharmacies, at any time;
- EXHAUSTED VEGETABLE OIL should be placed into designed containers, at any time;
- BULKY WASTE COLLECTION and WEEE (broken furniture, mattresses, and domestic appliances and so on) Your waste should be left in the same place as you leave your refuse / recycling bins for collection. To arrange an appointment for your bulky item collection, call +39 089814209.
- Other types of waste should be taken to recycling point located in Demanio on opening hours.

All types of waste (except Non-recyclable waste) can be taken directly to the recycling point too.

It is illegal:

1. to place in the wheeled bins:
 - General builders' waste.
 - Industrial waste from demolition, construction or excavation;
 - bags out of collection days and hours;
2. to place bags containing general builders' waste on the kerbside;
3. to use black bags.

Illegal dumping of chemical and hazardous waste is prohibited by law within communal area. Green waste dumping is allowed, following the rules, in agricultural area.

In violation of Order no. 3/2020 administrative penalties are applied, from a minimum of €. 25.00 to a maximum of €. 500.00, as established by D.C.C. n. 28 of 20.06.2016.

Further penalties are provided by order no. 49 of 31.10.2019 if someone dumps any waste illegally on the communal area.
